Wow, that's a tempting looking butt hole, and we would like to add that nobody from the Paul Raymond offices has ever ventured up there! "Hmmm thats not entirely true! I can't remember his name, but that cute little intern that you guys hired last year made good use of his cock and the bottle of lube he found in the storeroom. My butt has never been stretched wider!" That's a bit strange because we've never hired interns, which begs the question?

Upstairs and downstairs

"Straddling Craig and sinking a big dick into my twat, I told Darren to fuck my arse"

My younger sister introduced me to some of her mates the other day and I ended up fucking two of them!

I hadn't been out for a while because my husband and I are skint, but when my sister invited me to a party at her house I couldn't refuse.

She's about five years younger than me so all her mates are in their twenties. When I arrived she introduced me to a couple of lads who were in the hall, Craig and Darren, and then she bugged off. I didn't get further than that hall all night! Well almost.

The boys were very friendly to me and kept getting me

drinks and in no time at all the three of us were quite drunk.

I can't remember who made the first move but I do remember that it was Darren that I first started snogging. He was taller than me and quite fit, his muscles clearly defined inside his white T-shirt.

I could feel his cock pushing into my stomach and I knew

then that I was going to fuck this lad. Then he asked me if I'd ever had two guys before and looked over at Craig. Craig was standing close behind me, smiling. Close enough for me to reach him, and I let my hand wander back and rest on his groin.

"I've a feeling I'm about to have you two..." I said and together we crept upstairs into my sister's spare room.

No sooner were we inside than the two boys were stripping me out of my clothes, kissing and licking me all over.

Porno of the Month

GENERATION GAME

As the title suggests, the tables are turned in Club Filly's new all-girl fanny feast flick *College Cuties Seduce Milf Beauties*. Tanya Tate heads a cast of slightly frustrated older ladies who are ripe for plucking and fucking by predatory teens such as Sarah Luv, Belle Noir and Veronica Avluv. We've got a soft spot (or should that be a wet spot) for innocent-looking smoothie Lilly Evans, pictured left, seducing Nikki Phoenix with a bottle of Lambrini and an amazingly cute arse and giving hope to old-timers everywhere.

Darren busied himself in front of me, pushing his tongue into my mouth and rubbing my wet slit as he felt my boobs.

Craig was behind me again, licking and biting my neck. I could feel that he had his dick out as he was rubbing it against my arse and leaving little trails of pre-cum.

took Darren's cock out and bent down to suck him off and Craig pushed his prick inside my pussy. I felt amazing, I was behaving like a dirty bitch and I liked it.

Darren told me to get on the bed and I lay on my back, waiting. The boys knelt either side of

me, their cocks just inches from my face and I wanked and sucked on their dicks hungrily, desperate to have their cum in or on me.

Then they both tried to get their dicks inside my mouth at the same time and I happily tried to accommodate them, but they were too big for me and we stopped trying.

I made Craig lay back and straddled him, sinking his big dick into my twat. Then I told Darren to fuck my arse.

My husband had got me into anal sex recently but his dick was nowhere near as big as Darren's and I wanted to feel that pain and pleasure of the first time all over again.

The feeling of having my

arsehole stretched so wide by his big dick would have made me cum anyway, but when I felt both their pricks in me, pummelling me, making me feel so full, was mind-blowing and I started to orgasm uncontrollably.

The lads, young as they were, couldn't hold back for too long and they soon filled my cunt and arsehole with jism.

They had fucked me good and so, for a special treat, I let them finger their cum from my holes and feed it to me.

Now all I need to do is convince my fella to invite some of his mates round to fuck me!

Emily, Chichester

CLEO

After watching Cleo playing with her dildo we had to ask the question! "Sorry guys, but size does matter!" was her response. "Not only does it need to be seven to eight inches long but it needs to be nice and meaty too. I guess once you've had a long thick cock up inside you, you can never go back!"

It looks like Kitten has taken the recent Commonwealth Games a bit too seriously! "I've been enjoying the men and women in their skimpy swimwear, and I can't tell you how wet both of them make me feel. I could fill a swimming pool with the juices that are dripping out of my cunt right now!"

HOSE THAT HORNY GIRL!!!

an evil thought.

I grabbed the garden hose and sprayed it over Lisa.

"You shit!" she yelled, though

I let her grab the hose off me and get me back, and somehow it ended up in a clinch. "What about Pam?" she asked.

"I slid my prick up my neighbour's tender juicy hole. She was so tight and puffed up after cumming"

she was laughing, and it was one of the horniest sights I'd seen in my life. Her slim body was dripping wet and her white bikini bottoms had gone seethrough, exposing a little triangle of brown bush.

"She fancies you too," I said. "Right..." said Lisa, grinning.

"Got any beer?" she asked and I ushered her inside. As she drank it, clamping her pouty little lips around the

My wife Pam and I love reading porn makes – she gets even more sexed up than I do over all the gorgeous young models. We like to do more than look, though, and we got to do a lot more with our neighbours' student daughter, Lisa, recently.

She's 19 and horny as hell, and she knows it – she'd be perfect for your mag.

Anyway, it all started when Pam went out shopping while I mowed the lawn. I'd only just started when Lisa turned up.

She often came over to ours to sunbathe with Pam, mainly because her parents wouldn't let her do it topless in their garden.

She lay down on the grass and started basking in the sun, her perky little tits on display. When I finished mowing, I had

neck of the bottle, I couldn't stop staring at her. "Why don't we go upstairs?" she said, provocatively.

I let her lead me – she knew the way to the bedroom. I stayed a few steps behind her, so her luscious teenage arse was right there at eye level.

She helped me out of my shorts and pulled my hard prick free of my pants.

Then she fell to her knees and licked my cock shaft before taking it deep in her mouth – it felt so warm and tight wrapped around my length.

She knew what she was doing

with her tongue. I told

her I didn't want to cum too soon but she just sucked me harder, the little bitch. Okay, I thought, if that's the way you want it, and I just let go and blew my load down her throat.

I gave as good as I got, though. I hardly waited after cumming before spreading her pussy lips to expose her swollen clit, and sucking it into my mouth. Then I eased a couple of fingers up her cunt and used another to probe her arsehole, sinking it in right down to the knuckle.

Lisa started to shake and as she screamed out that she was

cumming her juices flooded out over my fingers.

After all this I was hard again, and I slid my prick up her tender, juicy hole – she was so tight and puffed up after cumming. She rode me to another couple of screaming orgasms before I shot my load again, up her sopping wet cunt this time.

I lay back on the bed and as I got my breath back I realised Pam was in the room too. I also found out that they'd planned the whole thing – Lisa would seduce me while Pam was out shopping, then Pam would come back and join in.

I also found out they'd already slept together a couple of times – that's what Lisa had been grinning about when I'd said Pam fancied her.

They got stuck into each other,

sucking each other's cunts as I wanked myself.

Then I got in behind Lisa and started to fuck her from behind.

Pam positioned herself under Lisa and switched between licking her clitoris and my balls, while Lisa carried on sucking her pussy, sliding a finger up her arsehole.

When both of them were moaning in orgasm, I pulled out and had them lie side by side. Then I showered their tits with loads of hot spunk.

We've been screwing Lisa on and off since then. We're dreading her going back to college, but we're planning to visit her when she does!

Neil and Pam, Darlington.

A WARM RECEPTION

As a saleswoman, I travel all over the UK on business and often stay in hotels.

This affords me plenty of opportunities for fucking and I always take them.

The last guy worked on reception and I could see he was up for it so I told him to call on me when he got off.

Sure enough, the next morning, he let himself in with a pass key and slipped into bed with me.

He grabbed my tits and squeezed them through the strands of the shirt, then slipped a hand between my legs.

"Very wet," he said, pushing two fingers in to my slippery slot.

I gasped as he did it again, then he told me to get on my knees. I stuck my arse out, cunt on display and cheeks smeared with cream and he slipped his cock inside me.

He fucked me hard and deep, pumping me quickly as my knockers bounced together.

The curtains were open and were on the first floor, so anyone could see me so I fucked back against his cock harder and harder.

"Let me take it in the mouth," I pleaded, so he pulled his cock out of my cunt and stuck his dick in my face.

I sucked it for a few seconds then he pulled out and came all over my face. I wanked his stiff dick into my mouth and peppered myself with sperm.

Unfortunately, at this moment, he turned to the window and saw his girlfriend looking in.

This brought a rather abrupt end to some fantastically filthy fun.

Candy, Bournemouth.

"I love spunk," Tiffany told us. "But it's so hard to clean it out of my hair and when it dries out on my clothes!" she moans. "I'm pretty abandoned in the bedroom and that means lots of mess. I love having bukkake parties taking five or six creamy loads all over my face but I'm always stuck with cleaning the sheets. At least I can sit on the washing machine while it's on spin!"

TRUE CONFESSIONS

THE TEACHER'S PART

After leaving uni, I got a job teaching English to foreign students in London. When I joked to one of my colleagues that it might be good for meeting horny blokes, I was told, fairly sternly, that the school's bosses frowned on that sort of thing, even though all the students were adults around the same age as me.

I got the message and resisted temptation – or so I'd thought.

Friendships with the students weren't a problem, so when a German girl, Gabriela – Gabi – asked did I fancy coming shopping with her one Saturday, I said yes. Her family was minted and she said she'd pay me at private tuition rates, for helping her practise her conversation skills in real-life situations. But she was such a laugh, I'd have done it for nothing.

She was a bit of an alternative

type, so we hit Camden first, and I spent an hour watching her try on clubwear, including a really short leather miniskirt. She loves British slang, so I taught her "pussy pelmet", telling her it wasn't to be used in polite company! But she said she wanted something even sexier, and I soon twigged she meant fetishwear.

I've got a couple of mates into that sort of thing, and got the address of somewhere high-end. Gabi was like a kid in a sweet shop, buying a rubber dress and catsuit, and some little tops in PVC and satin, plus a jewelled riding crop. Then we went through to the sex toys section. I braced myself, figuring she'd ask me to help her translate the packaging for the dildos, vibrators and clitoral stimulators, but she seemed to handle it OK on her own!

We got a taxi back to hers – she'd bought champagne and some posh nibbles – and she obviously couldn't wait to try her new clothes on.

It was nice stuff – she could have worn the dress to a cocktail party, and the catsuit to a fancy-dress do or gig, although the double zips that let you wear it splitcrotch were a clue that it wasn't just for dressing up!

Then she walked out in one of her little corset-tops and the skirt – which she soon flipped up to show me the soft leather g-string she'd got to go with it.

She had a killer figure and, while she wasn't the fit-and-knows-it type, she was totally unselfconscious. Then she threw me a little package, saying she'd noticed I hadn't bought anything for myself.

It was this really cute little vibrator, with a bright-red brushed metallic finish. I asked did her dad know what his money was going on. She said as long as she learned good English, he didn't care!

I tested out the vibrator the polite way, on the end of my nose, which she thought was hysterical. Then she asked why I didn't try it properly. "OK, we're all girls," I said – another new phrase for her.

"We'd started out drinking the champagne out of glasses, but now we were just swigging it from the bottle, and I was already getting a bit tipsy. I took my jeans off and vibed myself through my knickers, only for Gabi to say "Properly..." and pull her own little g-string to one side for emphasis.

Her pussy was totally smooth – expensively waxed, I guessed – and she had a vibrator like mine, except it was metallic black. She switched it on and touched it to her clit, hips immediately tensing as the pleasure buzzed through her.

She was shamelessly enjoying herself – and why not? – so I took another slug of champagne then slipped my knickers off and started to have my fun too.

It wasn't a race, in fact we were lost in frigging ourselves. But I'd sense Gabi looking at me and glance over to catch her eye, then we'd go back to rubbing ourselves, the buzzing and little moans the only sound.

Hers got louder and soon she was lying back on the bed, hips thrusting upwards as she held the vibrator firm against her clit. Seeing her cum like this sent twinges through me, and suddenly I started to orgasm too, toes pointing and back arching as it pulsed through me.

As we lay on the bed, Gabi asked me had I ever been with another girl. I said apart from a bit of drunken kissing and messing around, no. She grabbed the unopened bottle of champagne and laughed that she could get me drunk if I liked.

I asked her was she going to fuck me with it first. "No," she said, popping the top, then got a big dildo out of her drawer. Not one of the ones she'd bought earlier, but her "favourite", she said.

She obviously liked it a lot, the way she was rubbing it over herself and sucking on

F E S S I O N S

the end of it, taking it deep into her mouth. Then she told me to lie back and let her take care of me. "What about you?" I said, and she showed me another of her purchases – a fat black butt plug.

She lubed it up and pushed it inside herself, sighing as it slipped into position.

And when she bent over and spread her cheeks to give me a flash, I saw the discshaped end of it, that stayed outside her, was sprinkled with little crystal jewels.

Very girlie! I lay back, legs splayed, and she licked the dildo all over before fucking it into me, penetrating me an inch deeper every time until I was taking the whole length of it. She was crouched on her knees and every movement of her body, each wiggle of her hips, sent a little shudder through her as the plug stretched her open and stirred a bit inside her.

"You have beautiful tits," she said in her deep, sexy voice, and this was even before she saw them naked. I writhed myself against the thick rubber prick inside me as I got out of my T-shirt and unhooked my bra. Then I felt a little ripple of my own – not quite a cum, but a preview – as she sucked on them, one by one, before moving up for a kiss.

It only just struck me as weird then that we were having our first snog mid-fuck. Then again, I'd just expected a shopping trip and a bit of language practice!

She had the vibrator on my pussy and now she was sucking my tits again, I didn't last much longer. I fucked against

the dildo feeling her grip tighten on it, then moaned out loud as I came like crazy, my entire body shaking.

When my head stopped spinning, I looked over at Gabi, lying further down the bed, sucking on the dildo from my cunt and using her vibrator on herself again. She didn't seem to be cumming as hard as I had, more like she was keeping herself on the brink without quite losing control.

I crawled over and moved her hand sideways, taking the vibrator and tasting her off it. Then, nervous but trying not to show it, I licked my first pussy, letting

the juices spread out over my tongue as I lapped at her slit. Now and again I'd dip it in deep, but she seemed to like it best when I licked her right on her clit. So I slid the vibrator inside her pussy, and sucked away, feeling the muscles clench around the toy in my hand as I fucked her with it.

"Let me lick you," she said, but I told her to wait, using my finger to jiggle the butt plug inside her. She fought it a bit at first, then realised I was just going to keep on till she came. And, almost as soon as she just relaxed and went with it, I saw a flush go over her body as a massive orgasm ripped through her.

I didn't let up until she said, "No more." But even then, I wrung one more out of her, pulling the butt plug slowly out of her arse and giving her just the lightest tickle on her clit. But when I got hold of the big dildo and looked like I might slip it up her arse or pussy, she said no again – and meant it! I saw Gabi for almost a year after that, even moving out of my grotty flatshare to stay at her much nicer place. In return, I gave her loads of extra coaching, and she did really well in the exams she took, but eventually, she had to go back to Germany to take a job. I'll go to visit her at some point – she tells me her parents want to meet me and thank me for teaching her so well. I'm assuming they mean the English because there's definitely nothing I could have taught her about fucking and eating pussy!

"Well thank you! I play it a lot better than the real thing! It's not the only blow-up item I own, I've also got an inflatable male sex doll that I got from a friends hen night. It's got a giant hard cock attached to it and when I'm feeling horny and lonely I blow it up and ride it like a cowboy!"

Sophia's always thinking about one thing! "I just love meeting guys who are absolutely fantastic in the sack, and I'm fully intending to fill all of my available time hunting for them. I reckon I'm at the height of my sexual powers right now, so I'm going to find and ride as much big cock as I can. But the guy has got to be quite open- openminded, and open to having a threesome. Having two big cocks to play with is always a bonus!"

GYM'LL FIX IT!!!

My I was at the gym as usual on Sunday after my regular boozy Saturday night.

It's normally very quiet, but this Sunday I noticed a couple of muscular army guys going through their paces on the various machines surrounding me while I was on the treadmill.

I was dressed in a lycra crop top and shorts and could see the guys checking me out in the wall mirror.

After an hour of working the treadmill I headed to the changing rooms and then to the sauna to relax.

After being in the sauna for a few moments I heard the door open and felt a body sitting down on each side of me. I opened my eyes to see the two army guys naked and their cocks already standing to attention.

I instinctively reached out, taking a cock in each hand, and started to wank them.

They were already leaking

pre-cum as I reached down to take the cock on the left in my mouth. I could feel the other guy start to finger my already wet pussy then using my pussy juice as lube he started to finger my arse. I was in heaven.

He moved position and placed his cock at the entrance to my arse. I could feel him slowly guiding his cock into me. I reached underneath me with my other hand and started playing with my clit and pussy hole.

I just loved the feeling of having a cock in my mouth, a

cock up my arse and a finger in my pussy.

Within seconds I came with a shudder that shook my whole body and my throat was filled with salty cum.

No sooner had I swallowed one lot of cum, I could feel a shot of creamy hot seed explode in my arse.

The two army guys got up and left me a quivering wreck, a mouth and arse full of cum.

That was three weeks ago and I haven't seen them since but the gym owner has been eyeing me up knowingly!

TWIN WATCH - PRIVATE

Starring: Anita Bellini, Sienna Day,
Cassie Fire, Belle Claire, Eveline
Dellai and Silvia Dellai.

Summer is here! Beaches are full of people, and it's really necessary to have a good team of lifeguards to keep them safe. So we have created the Private Baywatch Team. Marc Rose is the leader, and he has in his team the twins Silvia and Eveline Dellai, as well as Belle Claire, Cassie Fire, Anita Bellini and Sienna Day, who has her own float. Last, but not least, the new member of the team, the black Cuban stud Jesús Reyes, who is very well armed for this job. The girls will not hesitate to enjoy his big black cock at all times, no matter what. TwinWatch, a movie in which the rescue methods are a bit out of the protocol, but for sure can bring anyone back to life. Interracial sex, orgies, anal, DPs and facial cums in this new film by Private to make sure your summer is hot and full of vice."
